Enrichment Class Descriptions (EXAMPLE)

Monday	Tuesday	Wednesday	Thursday	Friday
Bringing Stories to Life - Childhood classics are brought to life as cooking, art, acting, literacy, math and many more activities will make these stories jump off their pages and into the hands of your child!	Yoga – Traditional yoga poses such as Lion, Tree, and Warrior are brought to life to cultivate a deeper understanding of their environment and themselves while developing strength, flexibility, coordination and balance - in both body and mind.	Swimming – Designed to make learning fun and helping children make waves in life through award-winning swim lessons that offer experienced guidance in swim techniques as well as important information about water safety.	Creative Arts - Working with Water Street Studios, your child will meet and learn from local artists. After being introduced to various art media your child will create their own art work, ending the class with a art gallery!	Green Thumb - Your child will experience firsthand how one seed can provide for many! Caring for, tracking growth, harvesting, preparing, discovering and trying new healthy foods. Don't forget about the bugs, worms, and critters too!
