Summer Camp Weekly Themes:

<p>Diving into summer Bring out the towels, swim suits, and goggles because we are ready to get soaked! Summer is hot, but you'll stay cool doing water games, visiting various splash pads including 95th Community Plaza in Naperville.</p>	<p>Foodies: Explore the delicious world of food through blind taste tests, visits and behind the scene tours at Bocaditos, hands-on preparation of simple dishes and trying new or unique foods!</p>
<p>Around the World: Have you ever wanted to visit another country? Grab your passports and travel across the globe to India, Thailand, South America, Italy and of course America! As we travel we will celebrate the Festival of Color, do some yoga, and even paint like Michelangelo!</p>	<p>X Marks the Spot: Start the week off getting your materials ready to explore; telescope, binoculars and magnifying glass. Once you are geared up begin your adventure as you follow clues that lead you to a hidden treasure and even have the chance to dig for gold!</p>
<p>More Than a Stick: A stick is an excellent thing! You make s'mores with them, collect them, build with them, paint with them, take hikes with them..... A visit to Deicke Park and local forest preserves will help us find some sticks too!</p>	<p>Say "YES" to the Mess: This week is all about making a mess! No one will pass up the chocolate syrup Slip'n Slide, body painting, making Oobleck, Mentos and pop explosions, tongue paintings and more! Do NOT wear nice clothes!</p>
<p>Sweet Treats: What is summer without some sweet treats! Ice Cream, Cotton Candy....mmmmm! A chef from Candy Kids in Oswego will help us make our own candy! A play dough bakery, batch of gooey shaving cream frosting, and other sweet treats will fill this sweet week.</p>	<p>Art: A tour of Water Street Studios will inspire your camper to create. During the week they will learn about various artists such as Pollock, Kandinsky, Matisse and Mondrian with fun, hands-on experiences and try various artist mediums.</p>
<p>Animal Kingdoms: On National Spiderman day we will have a visit from Hickory Knolls Nature Center and some arachnids! A day about mammals, fish, birds, and The Frog Lady will come on Reptile day!</p>	<p>Camp Rewind: Sometimes you have so much fun you want to do everything again. We may not be able to squeeze the entire summer into one last week, but we will do our best to re-visit some of the favorites!</p>

Camp is 8:30am to 12:30pm and includes a snack
