Summer Camp Weekly Themes:

<p>Diving into summer Bring out the towels and swim suits because we are ready to get soaked! Summer is hot, but you'll stay cool doing relays and playing water games. On Friday we will go to Atcher Island Water Park in Schaumburg.</p>	<p>Foodies: Explore the delicious world of food through blind taste tests, a personal behind the scene tour of Bocaditos, hands-on preparation of simple dishes and a fam to table cooking lesson at Farmhouse Cooking School in Campton Hills on Thursday.</p>
<p>Around the World: Grab your passports and travel across the globe to India, Thailand, South America, Italy and of course America! As we travel we will celebrate the Festival of Color, do some henna, and try some new foods. On Friday we go to Medieval Times!</p>	<p>X Marks the Spot: A week spent following clues and going on scavenger hunts. We will Geocaching around the community, create scavenger hunts for our peers, and on Tuesday hope to make it out of an escape room at RiddleBox Escape Rooms in Naperville.</p>
<p>More Than a Stick: A stick is an excellent thing! You make s'mores with them, collect them, build with them, paint with them, take hikes with them.... On Wednesday we will go to the Morton Arboretum.</p>	<p>Say "YES" to the Mess: This week is all about making a mess! No one will pass up the chocolate syrup Slip'n Slide, body painting, making Oobleck, Mentos and pop explosions, tongue paintings and more! Do NOT wear nice clothes!</p>
<p>Sweet Treats: What is summer without some sweet treats. Ice Cream, Cotton Candy....mmmmm! A chef from Candy Kids in Oswego will be coming to help us make our own candy! We will make our own ice-cream and just have the sweetest week ever!</p>	<p>Art: With a visit to the Art Institute of Chicago your camper will be inspired to learn about various artists such as Pollock, Kandinsky, Matisse and Mondrian while also using different art mediums like wire, clay, oil pastel, chalk pastel and more.</p>
<p>Animal Kingdoms: National Spiderman day happens to fall on Monday so why not start off with insects and arachnids! We will touch on mammals, fish, birds, and reptiles. Wednesday is a trip to Brookfield zoo and on Friday The Frog Lady is coming!</p>	<p>Camp Rewind: Sometimes you have so much fun you want to do everything again. We may not be able to squeeze the entire summer into one last week, but we will do our best to re-visit some of the favorites!</p>

**Camp is 9:00am to 3:30pm and includes a morning snack.
Please pack your child a lunch.**
